

Milwaukee M18 Cordless 2-Speed Grease Gun

Milwaukee M18 Cordless 2-Speed Grease Gun Kit 2646-20-48-59-1850

Milwaukee M18 Cordless 2-Speed Grease Gun Review

The **Milwaukee M18 Cordless 2-Speed Grease Gun** sets a new standard in lubrication equipment with its exceptional performance, versatility, and convenience. Designed for professionals who demand reliability and efficiency, this grease gun is a game-changer in the maintenance industry.

At the core of its functionality is a powerful motor that ensures consistent grease flow, providing thorough lubrication with every use. Whether you're working on heavy-duty machinery or intricate equipment, the Milwaukee M18 delivers the right amount of grease precisely where needed.

The two-speed design adds a layer of flexibility, allowing users to adjust the output based on the application. Whether you require fast dispensing for larger components or precise control for delicate parts, this grease gun has you covered.

One of the standout features of the Milwaukee M18 is its cordless design. Say goodbye to the limitations of tangled cords or restricted movement. With this cordless grease gun, you have the freedom to work anywhere without being tethered to a power source. This feature is particularly valuable in busy workshops or industrial settings where mobility is essential for efficiency.

Ergonomics plays a crucial role in user comfort and productivity, and the Milwaukee M18 excels in this aspect. The handle is thoughtfully designed to reduce fatigue during extended use, ensuring that you can work comfortably for longer periods without sacrificing performance. This ergonomic design is especially appreciated in high-intensity environments where operators must maintain precision and focus.

Durability is another hallmark of the Milwaukee brand, and the M18 Cordless Grease Gun lives up to this reputation. Constructed from high-quality materials, this tool is built to withstand the rigors of daily use in demanding work environments. From its rugged exterior to its robust internal components, every aspect of the grease gun is engineered for long-lasting performance.

Compatibility with Milwaukee's M18 battery platform further enhances the convenience and versatility of this grease gun. With a range of battery options available, you can choose the runtime that best suits your needs, ensuring you have ample power to do the job without interruptions.

In conclusion, the Milwaukee M18 Cordless 2-Speed Grease Gun is a top-tier tool that delivers unmatched performance, versatility, and convenience. Whether you're a professional mechanic, maintenance technician, or DIY enthusiast, this grease gun is an invaluable addition to your toolkit.

Its powerful motor, two-speed design, cordless operation, ergonomic handle, and durability make it the ultimate solution for all your lubrication needs.

The Milwaukee M18 Cordless 2-Speed Grease Gun delivers maximum pressure and unmatched versatility, offering an industry-leading 10,000 PSI max operating pressure and a patent pending pre-set grease counter that allows service and maintenance professionals to dispense precise amounts of grease. The tool's 2-speed design enables users to select between max pressure and maximum flow rate.

Other unique features include an onboard LED light, a lock-on/lock-off trigger, and a plunger rod with markings to gauge how much grease is left in the barrel. The tool's stand-up design and shoulder strap capability offer user convenience while limiting fatigue, and the 48" flexible hose offers greater accessibility when greasing hard-to-reach fittings.

The new tool is also compatible with a clear barrel accessory (49-16-2646). Powered by an M18™ REDLITHIUM™ Battery pack, this is the industry's only 18V grease gun whose battery is compatible with a system of tools. The kit includes the new multi-voltage charger, so you can charge all M12 and M18 lithium-ion batteries with one charger.

- An industry-leading 10,000 PSI max operating pressure
- An industry-leading max flow rate of up to 10 oz. / minute
- New to world precision through pre-set grease counter lbs
- Best in class 48 in. flexible hose
- Air bleeder valve: priming mechanism for quick flow
- M18 REDLITHIUM system: compatible with over 175+ M18 lithium-ion solutions for greater versatility in the workplace
- Lock-on/lock-off trigger delivers added user convenience
- Includes : (1) 2646-20 M18 2-speed grease gun, (2) 48-11-1815 M18 REDLITHIUM compact battery, (1) M18/M12 multi-voltage charger, (1) carrying case, (1) shoulder strap, (1) 48 in. flex hose with spring guard, (1) high-pressure grease coupler
- Up to 10 grease cartridges per charge

The Milwaukee M18 Cordless 2-Speed Grease Gun Kit 2646-20-48-59-1850 Includes:

- (1) M18™ Cordless 2-Speed Grease Gun (2646-20)
- (2) M18™ REDLITHIUM™ 2.0 Compact Battery Pack (48-11-1820)

- (1) M18™ & M12™ Multi-Voltage Charger (48-59-1812)

Specifications:

- Voltage: 18V
- Battery: M18 REDLITHIUM
- Charger: 18V charger
- Length: 15"
- Tool Weight: 8.5 lbs
- Tool Warranty: 5 Years
- Package Height (in): 21.65
- Package Width (in): 10.24
- Package Depth (in): 4.72
- Package Weight (lbs): 14.92
